

Team Contract

Annie Tang
Casey O'Brien
Katie Siegel
Qui Nguyen

Expected level of achievement and effort for each team member

- Everyone will strive to get an A for this project
- This project is one of the top priorities for everyone
- Everyone will put in at least 10-15 hours a week on this project

Personal goals for each team member

- Annie - Learn how to use an API with rails, make a functioning and useful app
- Casey - Develop a product which is actually useful in MIT classes
- Katie - Learn how to use the Twilio API
- Qui - Make a well-designed, useful app and learn about more web technologies

Frequency, length and location of team meetings

- Twice a week (at least once before each deadline)
- Alternating between Maseeh and BC
- Meet until we're done

How quality of work will be maintained

- Pair programming
- Code reviews with each other, every week
- Don't push broken code (master is working)

How tasks will be assigned, and what to do if deadlines are missed

- No slack days: deadlines cannot be missed
- At our weekly meetings, we will split up tasks and make sure that every task is assigned to someone.

How decisions will be made and disagreements resolved

- Decisions will be made with majority vote
- Disagreements will be talked over during weekly meetings
