Meeting Notes: 11/24

Annie Tang, Casey O'Brien, Qui Nguyen, Kathryn Siegel
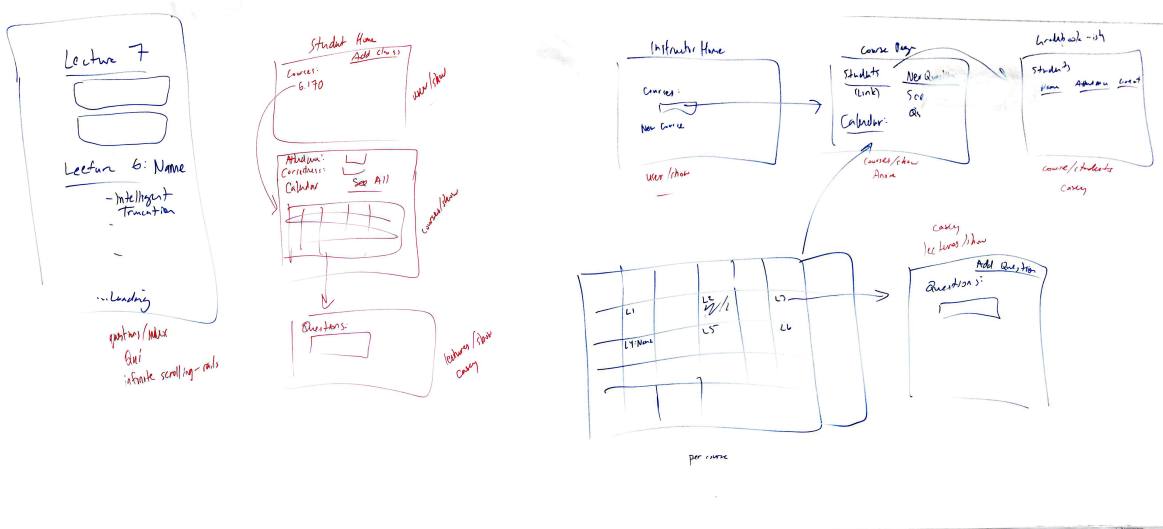

Meeting at 2pm in Maseeh
Annie, Casey, Qui, and Katie in attendance

Design Document
- Update Data Model (Casey)
- Update Security Section (Katie)
- Break wireframes into individual pages and state diagram
    - State diagram (Katie)
    - Individual Pages (Annie)
- Add new design challenges we've come across (Casey, Katie)
- Add code challenges (Casey, Katie, Qui)

Feature List
- Add missing parts uncovered at last meeting, new things we thought of
- Allocate new tasks (see features spreadsheet)
- Discuss the new pages to be added

Fireplace Critique
- Need to make critique more self explanatory
- We should remove nit-picks that aren't useful for the entire class
- See revised slideshow

Rehearse Presentation
- Casey: Intro
- Qui: Data Model critique

- Katie: Security critique
- Annie: Good parts, conclusion
